

Someone cares!

Hello

Do you have a few minutes you can spare for a couple of questions?
We have something to freely offer you too.

If we can take a moment to introduce ourselves.

We are working with () and today are offering prayer to anyone interested. We have personally found prayer can make a difference. Many folk to-day are confronted with life's challenges and sometimes stressful situations which need wisdom to navigate. God loves us and wants to bless and get involved in our lives. Would you be open and interested for us to take a moment to pray with you?

Is there anything in particular that you would like us to pray for?

*Eg. Personal issues
Family situation
Health
Work
Finances
Loneliness
Other*

Would you be interested for me to share in 2 minutes how God has changed my life?

Welcome to join us Sunday / events ...
