-----

2 Form groups of three (3) or (4)

combine the words of knowledge of the group to make your "Treasure map"

note: each member keeps their own list – do not combine lists on a separate sheet

3 Choose a beginning location

4 Start looking for the treasure

**5 When you find something on the treasure map (taken from the individual maps in the group)**

- Approach the person and say something like,  
*This may seem a little odd, but we're on a treasure hunt, and we think you are on the list*
- Show them your list  
*It may be one or two things from each list, or just one thing from one list*
- Build rapport  
*make friends – ask questions about them to get to know them*
- Let them know that God has highlighted them and wants to bless them
- Ask if you can pray for them

**6 If they say “No”**

- Build more rapport ( *common ground friendship* )
- Ask the Holy Spirit what he wants to highlight about the person  
*Give them an encouraging word*

**7 Ask again if you can pray for them**

- If they say “no” - Bless them and proceed to the next treasure ( *person* )
- If they say “yes”
  - Ask for the presence of God to come ( *release his presence on them* )
  - Command the pain to leave, bones to be set, back to be realigned, tumour to shrink, etc
  - Ask them to test it out – “Do something you could not do before we prayed”
  - Repeat if necessary

**8 When they are healed**

- Explain what just happened  
*the kindness of God revealed – He knows you and cares about you etc*
- Ask them if they would like to know Jesus personally  
*Have a relationship with Him*
- Invite them to ask for God's presence to fill them  
*Ask them, “what God is doing?”*

*Note: Encourage them to check with their doctor before they discontinue any medications or treatments*

**9 Go to the next divine appointment on the Treasure Map !!**
