

While You Are Waiting Read this!

We are all waiting for something in life. If it's not waiting for a bus, a train, a friend ... it will be for something more important.

All over the world people are waiting for something or someone.

What or who are you waiting for?

A new job?

A new direction in life?

A coming event or celebration?

To fall in love? find happiness in life?

To have enough money for a house, a car, a holiday?

Or maybe you are waiting for Good News.... or bad?

From a Doctor or specialist concerning a health issue?

From a bank or accountant about your finances?

From a wife, husband, girlfriend, boyfriend, children, grandchildren?

or maybe for the result of a family crisis (or separation)?

Waiting! is something we all have to get used to.

Life has been called a “waiting game”

Perhaps you are waiting for someone or something to give you a new sense and meaning to life. (Does it exist)? Perhaps you do not realise that there is someone waiting for you!

Someone once said: **“What man needs, is unfailing love”**

Although we all need human love and affection only one person can provide a constant powerful love that does not fail.

That person knows you, your inner thoughts and motives.

The power of His love can provide what you cannot.

Thousands of people today can testify that a genuine relationship with JESUS is the answer to Life. He is the missing part to the puzzle of life.

Jesus is waiting for you
